

0A How You Learn.doc

Prealgebra

Name: _____

Due Date: _____

WHY: How have you learned successfully? How can that help you be successful in this class?

LEARNING OBJECTIVES:

- 1) Start a support network for this class
- 2) Discover how you and your neighbors learn successfully.

ACTIVITY:

- 1) Form a group of three people. Introduce yourselves to you group, and exchange contact information (email addresses and/or phone numbers.

- 2) What is something in life that you are very good at, which you had to learn. (Write your answer down.)

- 3) How did you become very good at it? (Write your answer down.)

- 4) Discuss your answers to (2) and (3) with the other members of your group. What pattern(s) do you notice?
